MDDS is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

MDDS designates this activity for a maximum of 18 continuing education credits, depending on courses attended.

MDDS credits are approved by the AGD for Fellowship and Mastership credits.
